Metering for Linemen

IMPA is pleased to bring you a hands-on workshop covering the components of metering as well as providing an opportunity to perform meter and CT testing.

Course topics include:

- Metering components
- Site inspection
- Field Testing safety
- Troubleshooting

Attendees will have the opportunity to practice skills on a test bench.

Please bring gloves, a hard hat, safety glasses, and basic hand tools if you plan to participate in the hands-on portion.

Who should attend:

- Meter Personnel
- Lineworkers
- Engineers
- Utility Superintendents
